Please read this page carefully before completing question 5.

- You must complete question 5 to apply for a place in **any** state school in **any** area. You should therefore include the schools you wish to apply for in Wandsworth **and** any schools outside Wandsworth.
- You can use this form to apply for up to **six** state schools. Don't include private schools. You may only complete one form.
- You should apply for **at least four** schools to increase your options. If you apply for one or two schools only, it **does not improve your chances** of being offered a place. If your application is unsuccessful, you will be offered a place at the nearest alternative school with an available place on 1 March. The alternative schools you could have applied for may already be full by this time, so you are advised to include them on your form now.
- Each school you apply for will decide whether it can allocate your child a place based on its published admissions criteria. Please read the criteria of the schools you are thinking of applying for before completing this form (see pages 17-39 of the *Choose a Wandsworth Secondary School* booklet or the booklets for schools in other areas).
- If you are applying for schools some distance from your home, you are strongly advised to also apply for at least one school near to your home, because distance is used by many schools to decide which children are offered places.
- When you have decided which schools to apply for you must write them in the boxes at question 5 **in the order you prefer them**. Please only enter one school in each box.
- If you have listed schools in other boroughs, we will pass the details of your application to the other borough councils.
- Your child will be considered **separately** for each school you apply for. The schools will not be told which other schools you have applied for, or the order in which you prefer the schools.
- Before places are offered, Wandsworth Council will check whether your child can be allocated a place at more than one school. If you have applied for schools in other boroughs, we will also check with those councils whether your child can be allocated a place.
- If your child can be allocated a place at **more than one** school, Wandsworth Council will offer you a place at **whichever of these** schools you put highest in your list in question 5. It is therefore very important that you list the schools in the right order as this cannot be changed later.

Wandsworth Year 6 Test

If your child attends a Wandsworth state primary school s/he will take the test at school on Thursday 21 September. If your child does not attend a Wandsworth state primary school and you are applying for a place at Ashcroft Technology Academy, Burntwood School, Chestnut Grove Academy, Ernest Bevin College or Graveney School you will need to register by 8 September to be invited to the Wandsworth Year 6 Test, which will be held on Saturday 23 September. Parents will be provided with the scores by mid-October.

Children in Public Care, previously in care now adopted, or subject to a residence order, a child arrangement order or special guardianship order

The above children receive priority for admission to school. If the child for whom you are applying is in the care of a local authority or subject to the other situations described above, you must give details on the application form and provide documentary evidence to prove priority for admission.

Special Educational Needs (SEN)

If your child has an Education, Health and Care plan (EHC plan) *please do not complete this form*. Contact the Wandsworth Special Needs Assessment section to state your preference(s) for secondary school(s), if you have not already done so at your child's Year 5 annual review or when you received the proposed amended statement or plan.
