

## ARTIST/SCULPTOR WANTED

Dear parents and the wider community,

St. Mary's CE Primary School is looking for a committed local artist or sculptor to help with an ambitious project planned for the commemoration of the centenary of World War I. The school is looking at creating a permanent memorial to honour the lives lost during this historical event in British history. This memorial should be a fitting tribute that will become the setting for each Remembrance service held at our school. Our vision is to have a sculpture or similar piece of art created in time for Armistice Day on 11th November 2018. We require someone who will be willing to volunteer their time and service to help with this exciting project. If you think you are the person to help us create our vision or know someone who can, please contact the school:

We would also be interested to hear from anyone who can help the school fund this project. Please contact us using the e-mail provided above.

Many thanks,  
Mr Lett (Assistant Head Teacher)

## WOW BADGE COMPETITION

Many thanks for all your WOW badge design entries. Today was the deadline for entries.

A big congratulations to Year 3 for winning the Travel Tracker Trophy for January. They had the most active journeys to and from school each day (walking, cycling and scooting).

Previous winners have been:

Year 2 in December

Year 1 in November

WoW badges will be awarded this week to all children who actively travel to school. If you don't get a badge it is due to one of the following reasons:

You are not clicking on the correct icon each morning when recording your journey

You arrive late, after the tracker has been completed for the day

You are off school

You are not actively travelling to school

We are so close to achieving the Schools Gold Award for promoting Active Travel. Many thanks for all your support.

Many thanks- Wendy Livingstone
