

The Journey So Far

**Thursday 16th March 2017, 10am—2pm
at the Wandsworth Town Hall Civic Suite**

A free conference jointly organised by Positive Parent Action (PPA) and Wandsworth Borough Council, for parents and carers of children and young people aged 0 to 25 who have special needs or disabilities (SEND) and the professionals working with them.

The PPA is an independent parents' forum which aims to improve provision for all disabled children and young people from 0-25 years old, living in the Borough of Wandsworth.

Since the 2014 Special Education Needs and Disability Reforms, PPA has been working closely with Wandsworth Council, the local NHS and CCG to implement the reforms. This Conference will bring you up to date with the changes so far, the successes, the challenges and what the next steps need to be.

As well as speakers on this subject, there will be:

- ☺ **the public launch of the Wiki Project**
