

ASSISTANCE WITH FEES

Emanuel School is dedicated to widening access by offering financial support to eligible families to assist with the payment of school fees.

The school offers a number of fee assistance packages at 10+, 11+, 13+ and sixth form covering up to 100% of fees.

All applications for fee assistance are subject to annual means testing and may be varied depending on financial information provided on review.

Tick the appropriate box on the online school registration form and the fees assistance form will then be sent to you to complete in the Autumn Term of 2018.

Please note the registration fee can be waved depending on circumstance.

Fee assistance assessments are independent of the selection process and will not affect whether an offer of a place will be made.

SCHOLARSHIPS

Scholarships are offered for excellence in academia, sport, drama, music and art. It is possible to hold multiple scholarships.

A scholarship can cover up to 50% of the fees, which can be topped up to 100% with fees assistance, depending on financial need.

Academic scholarships are awarded based on performance in the entrance exam; there is no need to apply.

If you wish to apply for a non-academic scholarship, please indicate this on the online registration form.

The individual requirements for each type of scholarship can be found on our website: www.emanuel.org.uk
