

Dear Parent/Guardian,

St. Mary's Church of England Primary School is part of an exciting project called Bike It, which encourages everyone to ride their bikes and scooters as part of a healthy, happy and environmentally friendly school!

As part of the Bike It Plus Project, we will be having a **Dr Bike event** on **Thursday 22nd February 2018** at the school.

Dr Bike will be giving a **free safety check** on bikes brought to school that day. This is not a full service, but a safety check of brakes, wheels, handlebars, saddles and pedals with advice and suggestions for further work if it is needed. We only have Dr Bike at our school during the morning of **Thursday 22nd February** so if you want your own and/or your child's bike to get a free safety check, please make sure you bring the bike(s) in that day.

Bikes will be looked at on a **first come first checked basis** and we hope to check as many bikes as possible.

Bike It always thrives with the support of parents. If you would like to get involved in the project, or just find out more, then please come along to the Dr Bike day or get in touch with me directly!

I look forward to seeing you and your bikes on **Thursday 22nd February!**

Best wishes,

Annie Miller
Bike It Plus Officer (Wandsworth and Westminster), Sustrans
