

IN TOUCH

SUSTRANS BIKE IT

Sustrans Bike It Officer will be in school running Learn to Ride sessions for KS2 children (15th March) and Ditch the Stabiliser sessions for KS1 children (8th March). These sessions are for you and your child, so we encourage you to come along and help your child learn to ride their bike without stabilizers. If your child can already ride a two wheeled bike these sessions are not for them. In order to offer these sessions to everyone we may ask children who own a bike to share with other students (with parental/carer permission).

If you would like your child/ren to take part in either of these workshops please collect a form from the office. Demand was high last time we offered these sessions, so first come first served.
