Issue 474

Your children did us proud at the Mothering Sunday service this morning. There was singing, dancing, poetry, recipes, paintings and prayers as well as a look at some of the great achievements of women past and present. Thank you to all of the staff for preparing and directing us through our 'turns' and thank you to the Parish Team for having us in the church this morning. A very Happy Mother's Day from us all!

This week, our local authority link inspector visited the school on what was a very busy Monday morning. Half of Year Three were at Godly Play and the other half were learning all about telling the time. It's always heartening to walk around our school with inspectors and governors, showing off our lovely school. We saw some great learning in Maths happening across the school.

Some of our link governors have been in school this week—visiting the Early Years Team and watching English and Music being taught across the school. On Thursday evening, the Leadership and Management Committee of the governors met for their termly meeting. I'd like to say a very big thank you to all of our governors for the time that they commit to being our critical friend.

On Wednesday, Year Five took a trip to the Royal Observatory as part of their learning in the Mission to Mars unit and Year Three took off to Putney Leisure Centre for their second swimming lesson of the term. Year One took a Spring walk through Leaders Gardens to further their learning in their Green Fingers topic.

Also on Thursday, we had Ditch the Stabilisers workshops in Early Years and Key Stage One, thank you to Mrs Livingstone for re-scheduling and organising these! We also had a representative from TRAIID visit our Year Six class ahead of the grand opening of our second hand uniform shop! Many thanks to Mr Lett and Jackie Underwood-Hall for arranging this visit for the children.

I would like to say a very big thank you to local resident, Mr Andrew Simon, who not only brought his copy of the Nicholas Lane Map of Putney into school to share with the children but has generously donated it to us. The map is hanging in the corridor outside Year Six and makes for a very interesting look! Thank you very much indeed!

As I sign off this week, I can hear the hubbub of parents and children in Year Four discussing learning. It's a wonderfully exciting sound... A quick reminder that Year One have their cake sale this evening... Until next week, have a restful weekend,
Cheryl Payne—Head Teacher
