Issue 485

It was lovely to welcome some new and some old faces to our new Nursery and Reception class parent induction meetings on Tuesday evening. Thank you to those parents and governors who joined us to talk about our school. We are looking forward to getting to know the new families coming into St. Mary's in September.

It has been a relatively quiet week in terms of trips and events—although all of the staff and children have continued to work hard in their classes. I particularly enjoyed watching a Maths lesson in Year One on Tuesday where the children were learning about doubling and halving. It's hard to believe our Year One children will be at the top of Key Stage One next year—the time has flown and they are already looking so much more grown up!

On Thursday we welcomed Dance4All who are part of Perform Workshop into school to work with Years One to Three and Year One took a trip to the River Thames to support their topic Water World.

I am really enjoying the lovely singing that we hear more of at this time of the year as the children prepare for the Early Years/Key Stage One and Key Stage Two Performances. My new office is situated next door to our Year Sixes and it sounds like we are in for another treat this year!

Speaking of the end of year performances. We are all excited to see what our new lighting and backdrop will look like when the engineers have finished in the hall next Wednesday. Thank you all for your support with school lunches next week, when of course the hall will be out of action whilst the rigging takes place. Huge thanks to FoSMs who have funded the new lights and backdrop—and especially to Michele Williams for liaising with various stage production companies- its all very exciting for St. Mary's!

It's the St. Mary's Summer Party this evening. I hope you all have a great time. Fun starts at 7pm and there are still tickets available for anyone who has not yet got one! Huge thanks to Ted and the team for organising what is sure to be another great Summer Party!

Whatever you are doing this weekend—enjoy this wonderful sunshine and we'll see you all on Monday! Cheryl Payne—Head Teacher
