PERFORM BURSARY SCHEME

The Perform Bursary Fund is an independent not-for-profit scheme founded and run by local Perform parents. The scheme offers selected children free places at their local Perform school where a unique mix of drama, dance and singing is used to help develop their social skills and bring out their true potential.

The Scheme aims to provide up to 40 full annual bursary places each term - i.e. 120 per year. We are currently inviting applications from the parents/ carers of 4-7 and 7-12 year old children who would benefit from the classes but are prevented from attending by financial constraints. In particular children from disadvantaged backgrounds who are either:

- shy and unconfident
- confident but unfocused
- gifted and talented in the performing arts.
-

Please visit our website www.perform.org.uk for information on the Scheme's background, values and aims, priorities and delivery considerations or monitoring and evaluation practices.

Applications are now being accepted for the autumn 2018 term with the deadline of **Saturday 30th June**.
