

Improve the dangerous section of pavement by Putney Lower Common Cemetery

Please click on the link below and help our community by signing the petition regarding a section of pavement that is extremely dangerous by Putney Lower Common Cemetery. Every child and parent has to navigate this dangerous section of pavement when travelling from the direction of Putney - as there is no alternative route!

Only 39 days until our week of commemoration for the school's bicentenary!!

We have a number of exciting activities planned and were hoping alongside these activities that we would be able to capture a choreographed aerial photo of the children.

In order to achieve this we need a drone with a built in camera. Do you or someone you know happen to have a drone with a built in camera which you would happily lend and operate for us?

Please do email 200years@st-marys-putney.wandsworth.sch.uk or contact the school if you are able to help us facilitate this wonderful opportunity.
