We've had One Day Creative in school this week to carry out workshops on Respect with all of our children. As part of our Anti-Bullying work we asked the company to come and deliver the workshops around the theme of National Anti-Bullying Week: Choose Respect. I hope the children enjoyed the sessions and found them useful. Huge thanks to The Miles Trust who granted us the funds to invite One Creative into school.

Congratulations to Alexander and Olivia who were runners up in the Wandsworth Spelling Bee! Thank you to Mrs Bishop for organising and supporting the children through the competition. Good luck to Bibi and Ines who will compete in the Year Five competition next week!

We would usually have a Key Stage Two Communion next week, but we will be joining All Saints Primary at All Saints Church on Tuesday 18th June for a joint Eucharist Service. All welcome from 9.15am.

It's that time of year again, when we sadly start to think about saying goodbye to members of our St. Mary's family. Some families have already been in touch with us about their plans to move and have let us know when they will be giving up places for other children and their families. If you are planning a move in the not too distant future, please do let us know. The number of children on roll is collected in termly censuses which determine the amount of funding we get as a school. I don't need to tell many of you that school budgets are under pressure and so if you can, please do come and have a chat with me if you know you may be relocating away from us so that we can plan for any pupil spaces we may need to fill thus ensuring we maximise the funding we can claim from the Local Authority.

It's the Sponsored Walk this weekend. I hope those of you who are walking enjoy some lovely weather. Huge thanks to Catherine and the team for organising the event and I hope everyone enjoys their time in the park! I'm going to be in school supervising the annual precautionary spraying of our oak trees.

Whatever you are doing this weekend, I hope you find time to rest and recharge before next week begins. I can't believe there are only six weeks left in this academic year. It has passed by really quickly and we will certainly need all of the enthusiasm and energy we can muster for all of the wonderful activities that are going to happen in the next few weeks!
