Issue 520

Our children have been making the most of the warmer weather this week, taking the opportunity to extend their learning outside of the classroom...

On Monday Reception went to Legoland and on Wednesday Nursery headed off to Bockett's Farm. Year Three have been up to St. Mary's to take part in a Godly Play session, whilst today Year Five were at St. Cecilia's for a Science lesson.

A member of the public commented on how fantastic Year Four were whilst they were out at Syon Park yesterday. Mrs Bishop was very proud.

Huge thanks to the staff team for planning and delivering these opportunities for the children and a very big thank you to all of the parent volunteers who have been on trips with us this year. In some classes we are finding it hard to find volunteers and without you giving up your time, some trips would not be able to happen and so we are all very grateful for your support.

Year Four were learning how to manage their money this week - many thanks to Michelle for leading this important session and to Kate Stevens, our local librarian, who came into to talk to all of our children about the Summer Reading Challenge at Putney Library. I hope you and your children will get involved.

We held our termly Wider Opps Concert on Thursday - well done to all of the children who took part and I hope that many of you will continue with your instrumental lessons next year. Huge thanks to our teachers from Wandsworth Peripatetic Music Service.

Year Four had their exit point for their Rainforest topic this afternoon. I believe cocktails were served! I hope parents enjoyed both the cocktails and the opportunity to come into school and look at their children's work.

It's a big day tomorrow - preparations are already underway for our annual Summer Fair. Many thanks to Malin and Angela for organising the event with Viera. We are all very excited and it promises to be a lovely sunny - if hot - day! I look forward to seeing many of you there and hope that we will all enjoy another lovely day together! Thank you in advance to the whole FoSMS Team for all of the hard work that has already gone in.

See you all tomorrow,
Cheryl Payne
