Testimonials

"Archie loves his after school sessions and is particularly inspired by materials sourced from nature to design and make craft projects at WAP -an activity he really enjoys". Archie's mum

"It is great for Jenson to be collected from school so I can steal a couple of hours whilst he is getting fresh air, having fun and learning bushcraft skills that will be with him for life".

Jenson's mum

"Olly loves WAP and I love him going! All the staff are highly experienced with children and combine helping their development with having a lot of fun outdoors. He gives each member of staff a hug before leaving and often doesn't want to come home". Olly's mum

"My son loves the Wild about Play preschool sessions, he learns so much through play and loves his educators". Ali's mum
