## Calling those with a Sewing Machine!

Do you have a bit of spare time for some snipping & sewing?  
in the evening? at home? watching TV?

We have a huge pile of donated fabric and plan to turn it into Bags for Life for the foodbank donations from St. Mary's and All Saints' churches.

The pattern is very simple (cut out a rectangle, 2 straight side seams, 2 handles).  
All fabric is provided. Each bag takes approx. 20 mins to make.

There is also **Unpicking** help needed (no sewing required) – the fabric comes with bindings sewn on, which needs removing –we then re-use these bindings for the handles and to strengthen the seams.

If you can help with making the bags or unpicking, please contact Kate on [kate\\_walter@hotmail.com](mailto:kate_walter@hotmail.com)

For anyone wanting to dust off their sewing skills, I'm happy to run a group session for the volunteers. THANK YOU!!
