THE FAIRYTALE REVOLUTION

Wendy's Awfully Big Adventure

A family friendly pantomime
By Louise Beresford & Anna Spearpoint
Directed by Carla Kingham

4 - 31 DEC

We all know how a panto is meant to go (oh no we don't... shhh!): the hero wins, the villain loses, someone gets married and they all live happily ever after... until now!

Wendy wants to be a pirate while Captain Hook just wants to be a poet. Together with The Baker Swife they embark on a thrilling journey to Enchantia in search of a brand-new story, but someone is determined to stop them at any cost.

The stars of 2018's "the most fun you will have this Christmas" (Spy in the Stalls) 503Panto, Cinderella and the Beanstalk, Louise Beresford and Anna Spearpoint return to our venue with a brilliant brand new high-spirited, hilarious family friendly show featuring characters you know revealing a whole new world you didn't know.
