## 8 December 2019 at 10.30am

Over the next few weeks the congregations will be invited to take a gift label (or two) and find a present for a girl or boy aged from birth up to the age of 18. These presents should be wrapped (but leaving one end slightly open) and brought to All Saints' or St Mary's Church on Sunday 8 December.

Once sorted, the gifts will be distributed to a number of local charities who are relying upon us all to ensure that children in their care receive a Christmas present where otherwise they may not receive anything.

The three charities we are supporting are:

**Roehampton Family Action, Hestia Women's Refuge and the Metropolitan Police Wandsworth Christmas Tree Appeal.**

I hope you will support this very worthy local project, if you have any questions please speak to:
