

RE: Online Vocal lessons

Dear Head teachers, Music coordinators and school Administrators

As you will be aware Wandsworth Music have switched to remote lessons using Zoom Conferencing and so far we have delivered over 300 lessons this way – with great success.

We are now offering Singing lessons online which will be delivered by our Singing Tutors also using the Zoom platform.

Parents are invited to sign up for the lessons directly through Wandsworth Music by applying online using the following link: www.tinyurl.com/singingwandsworth

Wandsworth Music will bill parents directly and timetable all the lessons.

Safeguarding

All tutors and parents/carers will have to agree to Wandsworth Music's remote teaching safeguarding policy, which is on the form and can also be viewed on our website www.wandsworthmusic.co.uk We have dedicated Zoom accounts that are administrated and monitored by our senior leadership team. Parents/carers and tutors are made aware that lessons are recorded, and are held for up to 14 days in-case of a safeguarding concern.

Next steps

An email for parents/carers has been drafted (below) that can be sent out by the school to parents/carers in order to make them aware of the online Singing lesson offer.
