

# Your Uniform Shop

## How it Works

- Register or sign in at the 'School Parents' page of the service provider's website at [www.stitchdesign.co.uk](http://www.stitchdesign.co.uk). You will need to know the school's post code to register.
- If you do not have online access then please collect a postal form from your School Office. You are not currently able to place telephone orders.
- All items and their prices have been approved by the school.
- An on-screen Sizing Guide can be accessed by clicking beneath any image in Your Uniform Shop. If you are not familiar with the garment, please ask at the school office to see a size sample.
- Place and pay for your order online.
- Please double check your confirmation email to ensure everything is correct.
- Items will usually be despatched directly to you the following working day.
- Any problems with supply of any items will be communicated to you and despatched as soon as possible.
