

The Putney Chutney Food Company began in March 2020.

The 'stay at home' guidance gave us plenty of time to admire how pretty our home is, exploring the backstreets and parts of Putney that we may have never noticed when kept to our regular busy lives. It's no secret that we love to cook!

When not at work, we can be found in the kitchen cooking new recipes from our favourite chefs or inspiration from restaurants and street foods discovered on local trips or far away travels.

Our combined love of food and Putney led us to create our very own range of chutneys!

We currently have three flavours - Williams Pear & Parsnip, Black Plum & Apple and Sweet Mango.

**All our chutneys are priced at £4.00 each.
A gift voucher can also be arranged.**

We keep everything in house from the production process of the chutney to the branding, photography, and social media. It really is our food baby!

We will be launching our website www.theputneychutneyfoodco.com in the next couple of weeks where you can purchase our chutney from – in the meantime, you can contact us at putneychutneyfoodco@gmail.com or view our Instagram page [@the_putney_chutney_food_co](https://www.instagram.com/the_putney_chutney_food_co). where you can spread the love!

Thanks so much for your support,

Lauren & Al
