VISION: Delivering excellence, allowing all to flourish
MISSION: Creating a culture of wonder, guided by Christian Faith
VALUES: COMPASSION - ENDURANCE - THANKFULNESS

Phew, what a scorcher the last few days have been! Let's hope this lovely sunshine continues over the weekend. Please see the picture below of the children having fun in the sunshine and cooling down with the help of the hosepipe!

Last weekend was the swimming gala. Huge thanks to Mr Lally and Christy, former pupil of St. Mary's, for preparing and supporting the team. The children did us all proud, despite not having long to prepare and many—if not nearly all of them—were swimming up one or two age groups. They swam their socks off, kept calm and carried on smiling throughout! We hope to start training for next year very soon. Thank you and well done to all of the children who took part and to parents for their wonderful support on the day.

Unfortunately the planned science audit I mentioned last week has been postponed until the autumn. Our trainer was rushed into hospital for emergency surgery on Monday night. Our thoughts are with her and her family and we hope she is fighting fit again soon.

As many of you will be more than aware, we have had cases of chicken Pox and Scarlet Fever in school. Our local public health team are anxious about concurrent cases of both. Please help us to help local officials by being vigilant for traces of either illness, endeavouring to keep contagious children away from others and letting us know asap if your child has either of these infections, so that we can report any simultaneous infections to the local health team.

Finally today, we are delighted to share with you our very own video compilation of our school celebrating the Queen's Platinum Jubilee which took place on Friday 27th May. Huge thanks to Mr Lett who has taken considerable time to put this video together so that we can all remember what a marvellous time we had... We hope you enjoy it - you can view this special video on our school website by visiting: <https://www.stmarysschoolputney.co.uk/videos/>
 Until next week, have a restful weekend, Cheryl Payne—Head Teacher
