

THE BIG Push

Supporting Patients from Hospital to Home via The RISE Reablement Centre

Please request an Application/Sponsor Form to take part or sponsor us as we push patients* in wheelchairs from London Hospitals to The Platt Mission in SW15 where our new Reablement Centre will be built

email: sw15@regenerate-rise.co.uk or Tel: 07774 116972

Tuesday 27 June: Queen Mary's Hospital

Thursday 29 June: Charing Cross Hospital

Saturday 1 July: St Georges Hospital

Monday 3 July: Chelsea & Westminster Hospital

All start from the hospitals at 2 pm

*All elderly patients involved in these events have already been discharged from hospital or are living in the community and supported by Regenerate-RISE

The RISE Reablement Centre

"We believe that Reablement includes social interaction, eating together, physical exercise and giving people the will to live again - through a programme of tailored individual support."

Regenerate-RISE is fundraising to build a 12 bed Reablement Centre in SW15 for the over 60's which will provide nursing care, physiotherapists and social interaction - all rooms will have ensuite facilities and access to the day services on the Ground Floor

Helping patients move from Hospital to Home faster - shortening hospital stays, unblocking hospital beds and helping people re-join the community

Our total fundraising goal for the Reablement Centre is £2.2 m

To donate please scan the QR code or go to
