A warm welcome back to the Summer Term. It has been a pleasure to welcome all our families back to school this week. I hope you had a restful and refreshed Easter break; the children have already done a wonderful job settling back into their school routines. With the days becoming brighter and warmer, there is a real sense of energy as we look forward to a very busy and exciting events planned for this final term.

Mrs Davies was delighted to have everyone in Collective Worship today, including our Reception children who were absolutely brilliant. They discussed the 'Wows, Ows and Nows!' - please do ask your children about it this evening.

Our Nursery children have been making the most of the spring weather in our recently built outdoor classroom. Every Wednesday, they spend the morning exploring nature and looking for signs of growth and change. It has been wonderful to hear about them exploring the garden beds where they have planted flowers and vegetables, drawing what they see and discussing 'new life' appearing around them.

On Thursday, Year 5 and Year 6 were visited by the RNLI

We are also very excited to announce that our new-look website should be going live next week! Please do look out for it; we've worked hard to make it a great resource for our community.

Looking ahead, we have some very exciting news; our brand new website is scheduled to go live next week! Keep your eyes peeled for a fresh look and a great new resources for our community. We also can't wait to see you next Friday at 9.15 am for our Celebration Worship to recognise our children's achievement's—everyone is welcome.

Finally, please make sure to mark your calendars for the FoSM School disco on 16th May. Dust off your dancing shoes for what promises to be another fantastic event! This is a wonderful opportunity to bring our community together while raising much-needed funds to enrich every child's school experience.

I hope you all have a fantastic weekend soaking up the spring sunshine. Let's make this Summer term the best one yet!
