Dear St Mary's Community,

This week, the eco-committee planted the first raised bed in our garden. Along with Mrs Bolton, who donated the plants, pupils planted a variety of herbs and vegetables. Thank you so much for your help.

On Wednesday, we celebrated Earth Day with lots of activities for our younger children whilst our older children came together for worship. The children had lots of ideas for a prayer Earth Day which you can see below.

On Thursday, Mr Phillips led worship with KS2 on St George's Day, the Patron Saint of many countries including England. He stood up for equality and courage - such important values for us all.

As always, it is a pleasure to celebrate all our learners in Celebration Worship on Friday. Reverend John focused on our school value of compassion and the Parable of The Prodigal 'Daughter'.

I also met with the Joint Chairs of FoSMS this week. There were lots of things to think about and some dates too!

Silent Disco - Saturday 16th May
 KS1 and EYFS Sports Day - Friday 3rd July
 Summer Fair - Saturday 4th July
 KS2 Sports Day - Friday 10th July
 Y6 Leavers Service - Thursday 16th July

Dear Lord,
 Help us to care for your creation and not to waste the gifts you have given us.
 Thank you for the water that sustains all life, and for the beauty of the world around us.

We pray that our world may thrive in peace and harmony.

Protect this earth and all who live in it.

Watch over every creature, great and small.

Let the land flourish and the rivers flow freely.

Guard the bees as they pollinate the plants and help us to care for the oceans and all within them.

Guide us to be good stewards of your creation,
 Today and always.

Amen

The best weekend to you all.

Mrs Davies
