Dear St Mary's Community,

A year of seasons in a week! Who knew that hail was so exciting. Year 6 have worked with resilience and good humour as they have tackled SATS. We have been so proud of them and their attitude to learning has been excellent. Wearing their leavers hoodies, they enjoyed time in the park as their playground today, a well deserved treat. I think they might be a little tired! Lots of trips this week Nursery went to Bocketts Farm and had a wonderful day, Reception went to the Natural History Museum and enjoyed a workshop on Sophie who it transpires is a dinosaur. They saw Sophie's bones and created a 'Sophie'. Reception also had DT day making fruit and vegetable kebabs. Year 1 have been to Legoland and took part in a workshop on '80 bricks around the world' recreating landmarks, and managed quite a few rides. Their sewing was a joy to see for their DT project. Year 2 displayed the most excellent behaviour walking back from church having had a morning of Godly Play. Their DT project was to design and make a fabric pouch. Year 3 are at the design stage of their DT project, they are creating circuits to light up a poster, more details to follow! Sewing was a theme this week with Year 4 making a book cover which having seen them at work are just delightful. Year 5 role-played the courtroom appearance of Philippe Petit. They used their written and verbal persuasive skills to convince the judge to drop the charges against him.

We welcomed Rev John and Millie, the church Youth Worker, to school for worship today. Millie explored the story of Ascension which was yesterday.

To those going to the FoSMS Silent Disco tomorrow—have a brilliant time! Thank you to FoSMS for organising and continuing our school fundraising support.

We are pleased to welcome Miss Hamilton who will be teaching Y5 and to Coach Cooper who will be taking over PE teaching duties on Monday and Tuesdays. We wish Mr Phillips a wonderful summer with his small person, enjoying parental leave with his young family.
