Dear St Mary's Community,

Amidst the rain showers, we have had a brilliant week. Gentle reminder, please ensure your child comes to school with a coat!

We started our new pattern of collective worship this week and the children have been discussing our vision and values. I have been so impressed at their understanding and their enthusiasm to share their ideas. It has been a delight to have Nursery with us in collective worship, they are already showing the St Mary's way.

Away from the excitement of the thunderstorms, Year 6 have taken on the responsibility of play leaders. This happens in Summer 2 where they plan and deliver playtime activities for Key Stage 1. They have shown such maturity, and there were many squeals of delight from the younger children.

We are looking forward to our SIAMs inspection on Monday, exploring the Christian ethos of our school. I am sure that there will be opportunities to speak with the Inspector.

It was good to meet with governors this week as part of their meeting cycle and discuss many aspects of school life.

Class letters are on the website sharing information for the half term.

Attendance this week is at 96.8% I wonder if we can get it to 97% which is our target for this year.

We are still looking for pre-loved Bibles and thank you for the contributions we have already received.

A prayer from Year 6

Dear Lord,

Thank you for all that our have provided us with.

Help Year 6 in the school production and allow us all to flourish.

Help our school to achieve its vision.

With Thanks

Amen

A prayer form Year 3

Oh Lord, thank you for all that you have done for us.

Thank you for our family and our friends

Amen
