Dear St Mary's Community,

Another exciting week has flown by. We welcomed a SIAMs inspector on Monday. Walking around the school with her, I was so proud of the whole school community. It was a joy to hear the children express their views to the inspector and we are excitedly awaiting the report.

This morning Year 6 had great fun exploring rockets and the Reception children watched some of the rockets explode. I have a lovely picture, which unfortunately it will not download on the system—you will just have to imagine it!

Year 1 have been superstars this week and completed the phonics screening check. Year 4 have also been times table wizards, completing their Multiplication Tables Check (MTC).

Next week we have our third Anti-Bullying day, Power for Good. I am looking forward to hearing some of the ideas from our Anti-Bullying Ambassadors for the rest of the school to participate in.

Thanks to the rain, sun, hail and general confusing weather our plants are growing at a pace. Please see the picture below.

It was lovely to welcome Reverend John this morning, who talked to the children about football! He discussed with the children the qualities you need for a successful football team and then wonderfully transferred that to the disciples.

Dates for your diary

- Wednesday 24th June at 6pm. We would like to invite all Year 5 parents to a secondary transfer meeting which will be held in the Year 6 classroom. This meeting will outline the process and be an opportunity to ask any questions.
- Saturday 4th July. Summer Fair. Further details to follow but looking forward to seeing everyone.

Our prayer this week is for the whole community

Dear Lord and Heavenly Father

We ask that your wrap your loving arms around this school and the whole community.

Give us the wisdom to listen, the grace to understand and the love for each other to shine through.

Amen

With all good wishes for the weekend,
 Sara Davies

This is for the imaginary rocket picture!
